

THE AT-HOME RING SIZING GUIDE

FIND YOUR  PERFECT FIT

HOW IT WORKS

Obviously we suggest popping into your local jeweller for a perfect finger sizing, but we understand that it's not always possible. So we got you something to print at home and get you best most-accurate sizing before you place your order.

1. PRINT OUR RING SIZING GUIDE
2. CHOOSE YOUR SIMPLEST RING (THAT FITS THE FINGER YOU CHOOSE TO PUT YOUR NEW RING ON)
3. PLACE YOUR RING DOWN - ON THE CIRCLE - THAT FITS CLOSEST TO THE INSIDE DIAMETER OF YOUR RING
4. LET US KNOW YOUR FINGER SIZE AT CHECKOUT
